

PRESS RELEASE

## **Westlake Wishes' Initiative Launched at Westlake London Partners Day**

**London, 30 October, 2013.**– In front of an audience of over 30 Westlake distributor partners from across Europe especially flown in for the conference, Harjeev Kandhari joined together with Mr. Ge Guorong (CEO of Westlake) in introducing the newly established 'Westlake Wishes' foundation.

Mr. Harjeev Kandhari and Mr. Ge Guorong also formally announced the foundation's first initiative. For every set of tyres sold in the United Kingdom, Al Dobowi will provide a free three course meal served to some of the poorest families in India. Mr Kandhari will ensure that a minimum of 150,000 meals are served in one single day. "As our Westlake sales increase in the U.K. we will increase the number of meals provided", he declared.

Mr Kandhari summarised the aims of 'Westlake Wishes' by commenting: "The Al Dobowi Group remains committed to giving back to the community both in U.K., Europe and around the world. Feeding 150,000 of our less fortunate citizens on a chosen date is a huge challenge but one in which I will personally help navigate. Our teams will source the ingredients and we will have teams of cooks to prepare the meals which I will personally help to serve. I would expressly like to thank our Westlake partners and Zhongce Rubber for supporting us in this endeavour of humanity".
